Establishment of Barrenjoey New Zealand

Barrenjoey announces the establishment of Barrenjoey New Zealand.

Barrenjoey has hired two founders who will lead the business across Financial Markets and Corporate Finance, and is actively recruiting in New Zealand for key business and support roles.

Barrenjoey CEO Brian Benari, said: “We are actively recruiting top performing leaders who share our passion for the industry.

“Barrenjoey New Zealand will be a locally led and managed business, creating a platform that will attract and reward the very best people so they can produce outstanding outcomes for clients.

“Central to this will be local control, an entrepreneurial mindset, and the benefit of Barrenjoey’s strategic partnership with Barclays.

“We look forward to engaging with the NZX to advance our membership, and to furthering our participation in New Zealand capital markets,” concluded Mr Benari.

About Barrenjoey Capital Partners

Across corporate finance, equities, research, fixed income and private capital, Barrenjoey supports a broad range of corporates, institutional and government clients.

Our teams work in partnership across all areas of Barrenjoey to serve our clients holistically, bringing a global perspective and capability through our strategic partnership with Barclays.

Barrenjoey’s over 460 employees operate from offices in Sydney, Melbourne, Perth, Abu Dhabi Global Market and Hong Kong.
